Subject: FOR IMMEDIATE RELEASE: MEDIA STATEMENT - SONNY FATUPAITO -RESPONSE TO DEATH THREATS TOWARDS NATIONAL MP SIMEON BROWN

FOR IMMEDIATE RELEASE - 4 May 2021

Media Statement - Sonny Fatupaito - President Waikato Mongrel Mob Kingdom - Response to death threats towards National MP Simeon Brown

Today, I heard the news of death threats against National MP Simeon Brown, who is directly, very publicly and vocal in opposition to the Mongrel Mob Kingdom, especially over the last few days. Simeon has made it very clear, he does not accept that anybody like me would ever want to find redemption and seemingly I do not deserve the chance either, no matter what I say or try to do. It has inflamed both sides, but I also think, we all want to see a better Aotearoa, even if we disagree how it looks.

Simeon might not understand how and why many are a product of intergenerational and cultural trauma. Too many victims find it difficult to even articulate how they feel or why.

For them sadly there are few options, other than to endure a life of drudgery and death, a respite from the trauma of living.

Yet, I see Simeon as a father, a father with a young family, and one day he will have grandchildren just as I do.

I stand with him, as we all deserve to support and protect our families, no matter where we come from, or the seemingly deep chasm separating us, which probably will continue. But one day I hope we can sit down together and reminisce about how far we have come as a nation.

The death threats are an affront to what I stand for, the guests who were present, our guest speakers, members of the Kingdom, their whanau, and the whole intent of our Human Rights Hui. It deeply disturbs me that someone saw fit to use our trauma, our voice, our hui, as a tool of hate.

Whether these threats were from a disgruntled person, a gang member, an activist, or someone wanting to incite a cultural divide does not matter, it is wrong and it should never be tolerated by anyone, especially by people like us.

Kia ora Lou,
I look forward to Saturday.
I have a trivial question.
When I speak, will I have a place on which to rest any speaking notes I might have?
I don't mean a table -- which will be low.
But something higher?
If you don't have anything like that, that's fine, no probs at all, it will just be good to know.
Thank u.

Subject: Note of our conversation yesterday - Planning for HRC attendance at MM meeting, 1st May

Kia ora Lou,

Thanks for call yesterday on how this is developing.
As mentioned, to avoid any uncertainty, here's a note of what we discussed:

- [REDACTED] is off work at the moment, so may not be able to attend. If he is not available, we may need to send another support person to advise on Tikanga. I'll confirm once we know.

(Please note [REDACTED] returned to work today, and will be at the event on Saturday as Paul's communications advisor.)

- Safety and security of Chief Commissioner Paul Hunt and other HRC attendees will be guaranteed by the Mongrel Mob.
- Mongrel Mob will not publish any press releases prior to the event, or during it. HRC will be consulted on any subsequent releases in which it's mentioned. HRC will reciprocate around any releases it publishes.
- HRC will be consulted on any further promotional material in which it's referenced, or the use of its logo, pictures or other content.
- Media will be barred from the 1st May event, with no exceptions.
- Mongrel Mob members attending will be given guidance around their use of social media during and after the event. *(Details still to be agreed.)*
- Paul Hunt will be invited to contribute to a Q&A session during the event, and after speeches. Members will be asked to provide questions ahead of time, which will be passed to the HRC by the end of tomorrow (Thursday). The Q&A will be professionally facilitated.
- The estimated number of attendees is now put at between 350 and 500 people

We are meeting this afternoon to discuss final plans, and we will come back to you as necessary after that.

Ngā mihi,

Kia ora Lou,

I hope you've been well. I'm just checking in to see if you are able to give me a rough idea of what time everything will finish up on Saturday? The later evening flight out of Hamilton has just been cancelled, so the next flight back to Wellington for Paul would be 5:20pm. This would mean he would need to leave around 4pm, would that be an acceptable time? I understand you are having kai afterwards so I'm assuming that this flight would be far too early, and he's very happy to just fly back in the morning instead so just let me know.

We envisage possibly three sections to the afternoon?

- 1) Human Rights Commission
- 2) Panel Discussion - HRC / Green Party - Marama Davidson/Golriz Gahraam ??
- 3) Polynesian Panthers - Lived experience testimony

Your thoughts??

Discussion Areas: Paul Hunt - Human Rights

Key point - "Not every gang member is a criminal and not every criminal is a gang member".

- discrimination re: gang/gang member
- criminal profiling
- rights with police - targeting of gang members means the targeting of innocent children
- racial profiling
- employment opportunities blocked purposely by NZ Police eg. security work being blocked and businesses who employ our members are being targeted. No law against being a gang member, not written into certain Acts that they will be blocked from employment.
- targeting our critical voice for standing up for our rights
- use the label of 'gang member/associate as ammunition in government departments eg. Oranga Tamariki
- women aren't able to access women's refuge

I can also do a quick survey of our members to enquire into topics?

<https://www.vice.com/en/article/433mj9/do-new-zealands-gang-members-deserve-human-rights>

<https://www.stuff.co.nz/the-press/opinion/96480727/editorial-human-rights-are-for-all-including-gang-members>

I have also attached Paito's writing on the 'Significance of the Patch' which gives New Zealanders a much greater understanding of the story behind the Mongrel Mob and more specifically the Mongrel Mob Kingdom.

Look forward to hearing from you and your feedback on this email.

I realise this is a huge ask but would there be any way we could schedule the hui for a Saturday? As our people come from all over the motu and it would give them sufficient time to travel and it would not jeopardise them having to take time off work.

The themes we would like the Commissioners and yourself to pursue are Human Rights - exploring the two types of rights, The Human Rights Act & The Bill of Rights Act, Indigenous Rights and Racial Discrimination - especially when dealing with the NZ Police and NZ government departments.

I can confirm that Paul would be very pleased to come and do a presentation. We will need to look at dates and details – is there a particular time this year that you were hoping this could happen? Are you able to let me know any further details of what you have in mind re. the presentation – ie. particular themes or topics that you would like Paul to focus on?

Ngā mihi,

Kia ora Paul

My name is Louise Hutchinson I am the Public Relations Liaison for the Waikato Mongrel Mob Kingdom.

Correspondence in relation to matter 207718/19

I am making contact with you to see if there would be any possibility in 2021 that you could come and do a presentation to our organisation.

It is obviously a huge issue for an organisation such as ours, but it is integral for our people to understand and know their very basic human rights.

Look forward to hearing from you.

Ngā mihi

Louise Hutchinson
